Streetsmart

We are raising money this Christmas period (November & December) for Streetsmart.

£1 will be added to every bill and donated directly to Streetsmart.

There is no way as yet to add it to a bill and avoid adding a percentage of the tip to this £1 donation. So at the end of December we will add a percentage to the donation so that we are not benefitting from your donation.

If you want to opt out and not add a donation please let us know and we will remove it from the bill.

Thanks from the OB team!
