### **Streetsmart**

We are raising money this Christmas period (November & December) for Streetsmart.

Streetsmart fundraises for the homeless by adding a £1 per table to your bill during the winter months. If you don't want to contribute – or you'd like to add more – just say so!

There is no way as yet to add it to a bill and avoid adding a percentage of the tip to this £1. So at the end of December we will add 10% to the total so that we are not benefitting from your donation.

All the money raised goes to help in the area that it was raised in. So our donation will be spent in Sheffield/South Yorkshire.

Thank you from the OB team!
